CONTACT DETAILS FOR REPAIRS/EMERGENCIES

There may be circumstances during your tenancy where you require **ESSENTIAL** or **URGENT** repairs. You must inform your Property Manager of any required repairs as soon as practicable. Your Property Manager is required to arrange (not complete) repairs to essential services within 24 hours and urgent repairs within 48 hours.

- **ESSENTIAL REPAIRS:** Repairs to the following:
 - gas,
 - electricity,
 - a functioning refrigerator (if supplied),
 - sewage/septics/other waste water treatment, and
 - water (including the supply of hot water)
- **URGENT REPAIRS:** Repairs necessary to the supply or restoration of an essential service, or to avoid:
 - Exposing a person to the risk of injury,
 - Exposing property to damage, or
 - Causing the tenant undue hardship or inconvenience

In urgent circumstances, please call our office 08 9301 1111 or if it is outside of office hours (9am-5pm Monday – Friday) please call your Property Manager first and leave a message if you don't reach them. Please allow a reasonable amount of time for them to call you back. Otherwise please try contacting one of our other helpful team members:
